100 MEN OF SCUGOG,

c/o Tyler Renaud,
1918 Scugog Street,
Port Perry, ON

Dear Tyler,

Thank you so very much for thinking of us at Operation Scugog and the members of the Scugog community, who need assistance, particularly in this time of crisis.

Your consideration and the financial donation of \$5300.00 is overwhelming.

We, as an independent organization and crew of hardworking volunteers attend to the needs of clientele from within Scugog Township, a rural and urban mix of communities. This generous donation will attend to the foods and necessities within the Foodbank as well as emergency situations, if they should raise.

Our volunteers replenish and stock the shelves as well as interact with our clients and their families.

Operation Scugog uses community services and businesses to achieve this. Ours is such a generous and thoughtful population!

From the heart -- WE THANK ALL OF YOU!

Sincerely yours,

Karen Teed,

Chair, Operation Scugog Board of Trustees
